SmartestEnergy guarantees to supply certified 100% renewable electricity to University of Reading at their contracted sites for the period listed on this Commitment Certificate. Every megawatt hour of electricity supplied is matched with a UK-recognised origin certificate.

Our renewable electricity products are certified by the Carbon Trust and conform to the Greenhouse Gas Protocol so University of Reading can report zero carbon emissions for purchased electricity from SmartestEnergy when reporting using the market-based method.

The Carbon Trust Certification is reviewed annually to ensure ongoing conformity.

Please refer to the [SmartestEnergy website](#) for full details of the current certification period.

100% of the electricity supplied is renewable, backed by certificates of renewable energy guarantees of origin. Emission factor compliant with the GHG Protocol Scope 2 Guidance and to be used for the 'market-based method'.
