

GREEN FESTIVAL 2022 EVENTS TIMETABLE

CELEBRATE SUSTAINABILITY AND MAKING AN IMPACT

Our annual sustainability celebration for all staff and students at University of Reading. Between 1 and 11 November there will be a range of different events and opportunities to engage with our University community by promoting, educating and celebrating sustainable actions.

Visit the Green Festival 2022 link on our homepage at www.reading.ac.uk/sustainability or linktr.ee/sustainabilityatuor for the details of all the events and how to join in

**GREEN
FESTIVAL**

2022

1-11 NOVEMBER

University of
Reading

CONTEST:
**Low carbon main meal
recipe competition**
1–11 November

The best main meal recipe will be selected by an expert from Catering Services.

How to enter:

Submit your entries with the subject 'Low carbon main meal recipe'

- With your name
- Course or Department
- Details of recipe to sustainability@reading.ac.uk

Deadline: 11th of November 4pm

Prizes: The winner will receive a Catering meal voucher for two people and have their winning recipe featured on the menu of one of the outlets for a period of time.

We welcome both staff and student contributions!

Terms and conditions can be found on the Green Festival web page, follow the link on www.reading.ac.uk/sustainability
