

EAP in the South-East event

When: Friday Xth February from 2.15 to 5.00.

Where: University of X,
Carrington Building 201
(ground floor)/C8 on the Campus map
The Language of Academic English

This session will include a short talk on the compilation of an academic grammar supplement and a practical materials analysis workshop.

The grammar of academic English

What are some of the more common features of academic language? Speaker 1, Speaker 2 and Speaker 3 will talk about the compilation of an academic English grammar supplement (for the Collins Cobuild English Grammar).

Academic grammar and classroom materials

The second part of the afternoon will be a workshop looking at materials and tasks.
